Chase City High School
Chase City, Virginia

We Thank You . . .

As the pictures to the right prove, the personality of Chase City High School has never depended on its outward appearance. It doesn't rely on the fact that lessons were studied and learned in a two-story wooden frame structure, like the elementary school which was built across from the Baptist Church in the 1880's, --or that we went to classes in a more modern three-story red brick building like the one we are graduating from this year.

We are an old school, and the behavior and thoughts of thousands of people during the past seventy-five years have molded us into our present day selves. Faculties, students, parents, and interested townspeople have all contributed to this composite.

For this reason, your yearbook staff feels that it would be impossible to select <u>one</u> person for this important dedication of our last Chase City High School Annual. We feel a gratitude to so many people.

Our high school started as a private school about 1889 and was known as the Southside Female Institute. The name was later changed to the South Side Academy. This school, which was located on the corner of Boyd Street and Academy Lane, was owned and operated by the Baptist Church. It was abandoned and sold around 1904, the proceeds going to the University of Richmond.

The second high school building was located across from Bratton's Implement Company. According to the picture to the right, apparently at least one student came to school on horse back. The main structure of our present brick building was constructed about 1907, and the first class graduated in 1909.

We want to dedicate this last yearbook to the School Boards and Faculties who have planned our curriculums and participated in our activities, to parents (some who live on farms and have never been inside the school) who have sent <u>more</u> than their children to school, and to students whose personalities make each year different from the last. We are grateful to all of these.

We thank you.

However, studying or playing . . .

Right: We make friends with students from other high schools.

We were all part of a larger group.

Whether Freshmen, Sophomore, Junior, or Senior, we were students of Chase City High School, --a group of teen-agers who met together five days a week from 8:40 in the morning until 3:20 in the afternoon. We argued about clean-up problems around the school grounds--but we cheered together for the same football team. The Seniors felt superior and looked down upon the Juniors who looked down upon the Sophomores who looked down upon the Freshmen. And the lowly Freshmen simpled looked "over the hill" to the elementary school. But we all kept our eyes on a single goal when it was necessary. As one large student body we could cooperate and work as one unit. We did feel closest to our own class--but we never forgot that it was only part of the whole--Chase City High School.

The Juniors and Seniors start back over the hill after a Friday Chapel program.

The Freshmen and Sophomores follow after.

The following pages tell
how all of us remember
the last year of Chase City High School.

The First to Return . . .

During the still warm days of August our leaders met to plan the school year. The workshop conferred for nearly a week. Class schedules, lesson plans, and preparations for the return of almost 285 students were completed.

This Year

each one of us found himself part of a new class, a much more important group than the one we were part of the year before. We discovered we were expected to shoulder more responsibility, to be more mature. By the time we became Seniors, we were looked upon as leaders, and this has probably been for us the most exciting year of the eleven. There are so many things to remember.

Our Seniors Study in the Basement

Class History

In the fall of 1951, seventy-four students began the long journey through high school as Freshmen. Miss Eloise Wilsher, and Miss BeBe Neal were chosen to guide us and keep us from straying from our path. Rose Dalton was elected president, Jane Wilkerson, vice-president; Carolyn Johnson, secretary; and Vincent Sandy, treasurer. Joe Smith and Randall Black represented us in the Student Council.

Ready to resume our studies, we returned in September 1952, after a summer's rest. Mrs. Hilda Collins and Miss Elva Kibler became our sponsors. Rose Dalton was again elected president, Vincent Sandy, vice-president; Joyce Jones, secretary; Joyce Black, treasurer; and Sylvia Wilmoth, reporter. Sylvia Bivens, Joyce Black, and Joe Smith were elected to represent us in the S. C. A. Our class now was reduced to fifty-six members. Our main project was a sweet sale.

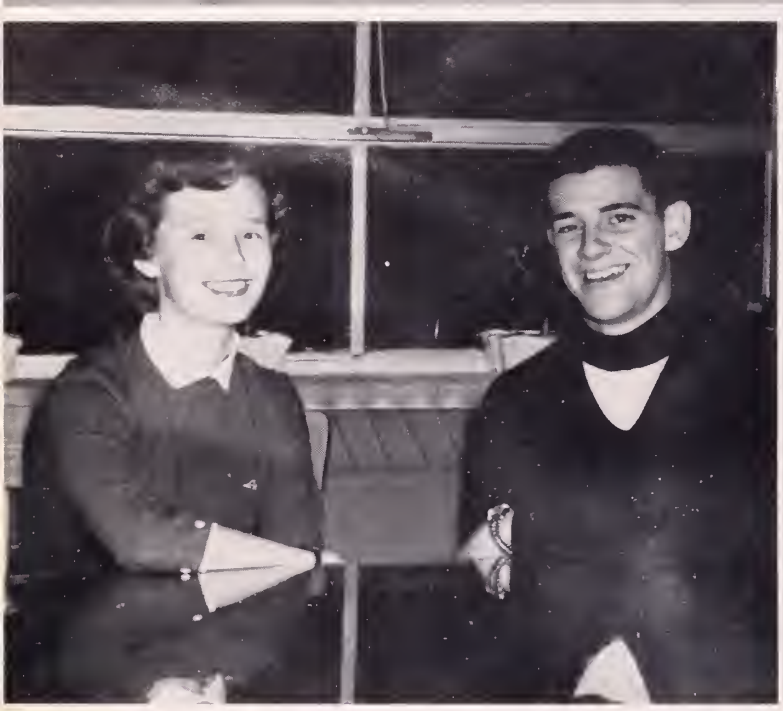
Realizing we had a big year ahead of us, we came back to school in September 1953 as Juniors. With this thought in mind we chose the following officers: Jerry Jones, president; Mary Ann Blankenship, vice-president; Sylvia Wilmoth, secretary; and Randall Black, treasurer. To represent us in the Student Council we chose Joyce Black, Mary Ellen Kilgore, Jane Owen, and Jerry Jones. As a result of the sale of "Memory Books" we proved our able salesmanship. One of our other projects was the Popularity Contest. In March the long-awaited Junior-Senior Prom was held. The hall was decorated with blue streamers and silver stars to carry out the theme, "Dancing in the Dark." We also had the thrill of choosing our class rings.

We assembled for our final year in the fall of 1954. Jane Owen, president; Jerry Jones, vice-president; Julia Lindholm, secretary; Mary Ellen Kilgore, treasurer; and Mary Ann Blankenship, reporter; made up the roster for the class officers of our last year. The Seniors were represented on the Student Council by Jerry Jones, president of the Council; Joyce Black, vice-president; Mary Ellen Kilgore, Jane Owen and Mary Blankenship. In November, under the direction of Mr. Harvey Jeffreys and Miss Elva Kibler, we presented BEST FOOT FORWARD, a comedy. "Twirp Season" was one of our main money-making projects for the year.

Although each goes his own way, we will remember life at C. C. H. S.

Finally, we're Seniors!

These Seniors "Rate" !



The phrases may change, but they all have the same meaning. At one time, many years ago, Chase City High School students might have said these students were "the cat's meow," But, today we say that they "rate."

"But I HAVE to go to play practice!" This is the sentence that answered all requests for dates, or announcements of other evening meetings for weeks prior to the presentation of "Antic Spring," the comedy we presented in the County Play Festival. The reason we appear so early in this annual is that starting in the Fall, we held bi-monthly meetings to study all phases of play production.

We put our "Best Foot Forward"

The Seniors almost decided to give up classes and major in extra curricular activities when they produced the Senior play. There were rehearsals every evening and meetings on Saturday to construct and paint scenery.

Alan Ashworth

We had Mecklenburg County Achievement Day here November 13. How nice to have so many from CCHS to win medals and be invited to join the Honor Club. But, oh the fun at the meetings, camp, and National 4-H Week Celebration in Victoria and Kembridge. Project records are filled with work we do, with the help of Mr. Dudley Perry.

Basketball

Remember the search for a vacant warehouse where we could play basketball, practicing after school and at night, and winning the South Hill game? Pictured at the right are our two co-captains, Sonny Wright and Jackie Fitz. Below is our team as a group, but we like to think of them as they look on on the facing page.

Kneeling, left to right: Maynard Chandler, Robert Little, Cecil Andrews. Second row: Coach Jones, Harrison Little, Ervin Whitlow, Sonny Wright, Jackie Fitz, Lowell Singleton, Jerry Jones, J.C. Chapman. Third row: Harold Newby, Arthur Carter, Allan Carter, Grandon Averette, Wayne Towery, Bobby Morris, Joe Smith, Bobby Johnson, Clinton Gurley.

They sing on Monday . . .

And every other time they get a chance! But we especially remember the rush down the hill to the Robert E. Lee Auditorium during Monday's activity period. Our teachers remember, we know, our breathless arrival back at school for fourth period classes. As a club, or in groups, we've sung in Chapel, in the Show Boat and at Commencement this year. It's been fun!

Spring is Here,

Baseball

Remember those warm spring nights when everything else was forgotten and we all went out to the ball game to see C. C. H. S. 's team in action? What fun it was to see our boys hitting homers and making all those runs! We helped the players, too, through our cheering and vigorous support.

Above: Jerry Jones is rarin' back for a homer.

Center: "Watch out, J. C., don't let 'em pick you off first."

Left: Dallas Gregory says he's safe, but I think Martin Lindholm has a different opinion.

Below: Coach Jones and J. C. Chapman, Cecil Andrews, Harrison Little, Jerry Jones, Bill Pennington, Bobby Johnson, Pete Hutcheson, and Grandon Averette tune in the World Series.

Play Ball!

Softball

Quite feminine I would say, but our girls have what it takes when it comes to softball, too. It was accomplished through concentrated effort and help of our Softball Coach, Mr. John Kizer.

Above, right: Mary Frances Fancett to Jane Owen, "Batters Up!"

Below, right: Jane Owen says to Julia Lindholm, "If you want to stay safe, keep on the base."

Remember "Highlights" coming out every two weeks? Well, we tried to get it out on time! We hoped to capture the current high school news and publish for you a paper that was both informative and fun to read. It was our idea to cover various student activities as they happened, to review the current movies at our local theater, and to keep up-to-date on the switches in couple combinations--in our gossip column. We tried. We hope we succeeded!

We've so enjoyed . . .

trying to capture the flavor of the 1954-55 high school year. Did this yearbook bring back some pleasant memories from last semester, events you had almost forgotten? We hope so. We've tried to make this an annual that will stay on your own bookshelf for years to come. It was our aim to record many of the good times and all of the highlights of the last year of Chase City High School. Have fun remembering!

Our

Main Street

We have only one traffic light on our Main Street, and you'll never have trouble crossing the block except during tobacco season or on Fridays and Saturdays during the rest of the year. But, this is our town where we have grown up, where our parents have worked and shopped, and where we know every merchant and store on Main Street. These retailers know us, too. They patted us on our heads when we were little, and ever since we started getting our allowances, and earning our own money from part-time jobs, we have dealt with them. They have always supported us. The following pages are proof of their present interest.

THE GREGORY COMPANY

We want you to come to see us, it will be money in your pocket. While in New York, we bought merchandise direct from the manufacturers. We name a few of the many bargains:

Good Apron Ginghams - - - - - - - - - - - - - - - - 4½¢
Black Satteen Petticoats - - - - - - - - - - - - - - 25¢
25¢ Suspenders - - - - - - - - - - - - - - - - - - - 2¢
15¢ Linen Lace - - - - - - - - - - - - - - - - - - - 3¢
50¢ Overalls - 40¢
$2.50 Lace Curtains - - - - - - - - - - - - - - - - $1.50
$1.00 Children's Ready-Made Dresses - - - - - - - - 60¢
Good Corset Covers - - - - - - - - - - - - - - - - - 10¢

The Largest Line of Millinery We Have Ever Had
